Champion

#motivated

#goal-oriented

#disciplined

Differentiators

- Highest course completion rate: 85%
- Highest satisfaction: 4.5/5
- 34 days since last purchase on average

Needs

- Advanced content
- Achievement badges
- Early access to new courses

I'm here to master it, not just to try it.

Loyal

#consistent

#methodical

#engaged

Differentiators

- High course completion rate: 74%
- Stable satisfaction: 4.0/5
- Returns every 73 days on average

Needs

- Learning paths
- progress tracking
- content continuity

Steady progress is still progress.

Collector

#impulsive

#aspirational

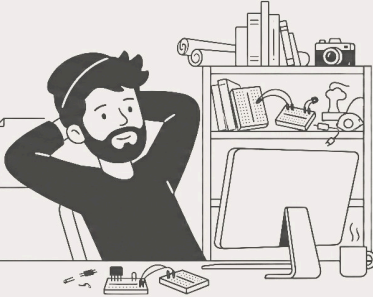

#procrastining

Differentiators

- Lowest course completion rate: 46%
- Lowest satisfaction: 3.6/5
- 108 days since last purchase on average

Needs

- Reminders
- Course previews
- Shorter content formats

I'll get to it eventually.

At Risk

#disengaged

#uncertain

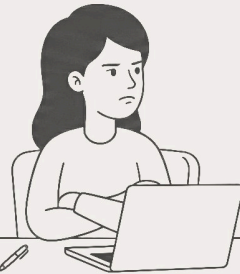

#reachable

Differentiators

- 72% course completion rate — but fading fast
- Satisfaction dropping: 3.8/5
- 148 days since last purchase on average

Needs

- Reminders
- Course previews
- Shorter content formats

I used to love this platform. Something changed.

New

#curious

#enthusiastic

#exploring

Differentiators

- Average course completion rate: 66%
- Strong first impression: 4.1/5
- Only 15 days since joining

Needs

- Onboarding guidance
- Beginner-friendly courses
- Community access

I don't know where to start — and I love it.

Hibernating

#inactive

#forgotten

#potential

Differentiators

- Average course completion rate: 68%
- Low satisfaction score: 3.8/5
- Silent for 287 days on average

Needs

- Strong incentive to return
- Nostalgia triggers
- Limited-time offers

It was nice to be here, but nothing lasts forever.
