• Advanced content • Achievement badges • Early access to new courses	• Learning paths • Progress tracking • Content continuity	• Reminders • Course previews • Shorter content formats	• Tailored suggestions • Quick feedback check-in • “Pick up where you left off”	• Onboarding guidance • Beginner-friendly courses • Community access	• Strong incentive to return • Nostalgia triggers • Limited-time offers

I'm here to master it, not just to try it.

Steady progress is still progress.

I'll get to it eventually.

I used to love this platform. Something changed.

I don't know where to start — and I love it.

It was nice to be here, but nothing lasts forever.
